UNRELIABLE KING'S CHAMPION

Runs One of His Occasional Good Races to Win Easily.

Form Awry in New Orleans Mud Racing and Favorites Mostly Prove Deluders.

NEW ORLEANS, La., January 10.—Another downpour visited this region this morning and caused additional mud, affording opportunity for those with a gift for running well in this going to perform at their best. The racing, however, did not suffer, for starters in most cases showed ability to race in the difficult footing and battled it out resolutely, winding up their battles in fagged and spent style.

The backers were all astray in their judgment, for the most heartily supported horses were beaten in all cases, excepting in the initial race. Here Costigan made a runaway of it and was much the best. He was away poorly, but raced around the others in a flash and, once in command, he steadily drew away to win as his rider pleased.

The mile and seventy yards claiming handicap for a purse of $1,500 furnished the outstanding upset of the afternoon in the clean cut victory that King's Champion scored. It was a vastly different King's Champion that raced this afternoon, for, although away with his customary slowness and far back for a half mile, he rushed around the others with a brilliant display of speed and at the end was easing up with a margin of two lengths over Wynnewood, which, hard ridden, just managed to outstay Goaler.

The sixth race brought with it what appeared for a time a serious accident, but luckily terminated in nothing beyond bruises for jockey Thomas and a severe shaking up for Our Birthday. The horse crashed with terrific force against the fence rail when an eighth from the finish and fell in a heap, the rider being pinned underneath. He was extricated quickly and rushed to the track emergency hospital, where he soon rallied and showed no serious bruises. Our Birthday remained on the ground for some time, but finally revived and was led to his stable.

Who Cares, ridden by Lang, and a real "good thing," won here after having run out on all the turns. Lang also figured in a victory on Verity in the closing race, for which Warsaw was as extensively backed as the winner.

Commander McMeekin was an outstanding failure of the afternoon when he succumbed to Marsdale in the mile dash, for three-year-olds.

REMOUNT SERVICE BUYS HORSES.

Daedalus and Shilling have finished their racing careers. Both were purchased by Major Jones of the United States Army Remount Service, the former from G. C. Winfrey and the latter from C. R. Anderson. They will be sent to the Remount Station at Fort Sill, Okla. Major Jones will conduct a drive for Remount members at the race track at 1 o'clock Friday and is hopeful of enlisting practically all of the horsemen here.

Jockey A. Nicklaus, who rode in steeplechase races as well as on the flat in the East last year, made his debut at the Fair Grounds today on Consul in the opening race. He is under engagement to the Pelican Stable, owned by W. H. ("Gusher Bill") Rowe. Nicklaus met with a fair measure of success over the jumps, far better, in fact, than on the flat.

Cornelius Fellowes returned from New York today. During his absence his colors were carried to victory by Rosa Iee, daughter of Granite—Ursula Emma.

Fort Churchill came out of his race in a bad way and was with difficulty gotten off the race track.

Jockey ("Chick") Lang scored a double, his successful mounts being on Who Cares and Verity. Lang has won one or more races for nine consecutive days, his last failure being the day before the Jefferson Park meeting closed.

"CURLEY" BROWN A VISITOR.

H. D. ("Curley") Brown, race track promoter for many years, was among today's visitors at the Fair Grounds. He left tonight for Havana. Brown built the Cuban track, as well as the racing plants at City Park here, Jacksonville, Fla., Laurel, Md., and several other places.

Government agents have taken possession of the L. T. Bauer horses because of alleged irregularity in scheduling income tax returns.

J. S. Hayes today disposed of Johnny Overton, a recent winner at the Fair Grounds, to Clyde Freeman. The consideration was private.

George J. Long, owner of the famous Bashford Manor breeding farm near Louisville, Ky., and one of the most prominent figures on the American turf for many years, was an arrival today. He plans an extended stay. One division of his stable is racing at the Fair Grounds in charge of John C. Ferriss and George Molesworth, while he has the other end at Churchill Downs. It has been many years since this turfman visited New Orleans and he expressed himself as being highly surprised at the many new improvements made at the old race track and the magnitude of the sport here.

Jockey Fred Smith was the first rider at the Fair Grounds meeting to be disciplined by the stewards. He reported in the jockeys' room in an unfit condition to ride and his license was ordered suspended.

CURRENT NOTES OF THE TURF

S. D. Riddle has lost the mare La Mousse, bay mare, 1907, by Ladas—Mousme, by St. Simon, which he bought at the Macomber sale at Saratoga last summer. The mare injured herself by running into a fence about a month ago and her death was the result of the accident.

The Belgian Jockey Club has adopted suggestions put forward by M. J. Wittouck that photographs be taken of the finishes of races, and that saliva tests be made (as in France) for the detection of doping. Instruction to this effect will be communicated to the race course societies.

H. P. WHITNEY'S 1921 STABLE RECORD

LARGE AND POWERFUL ESTABLISHMENT OF MASTER OF BROOKDALE STUD EARNS $241,680 AND FINISHES SECOND ON LAST YEAR'S WINNING OWNER'S LIST

Although the H. P. Whitney stable did not carry off the honors of figuring as the leading money-winning stable of 1921, it made a valorous try for it and brought up in second place to Rancocas Stable's first. Despite disappointments in the death of its good three-year-old Broomspun and the failure of Tryster and Prudery to race up to the high expectations engendered by their brilliant records as two-year-olds, it was a formidable racing combination. The resources of its great Brookdale breeding establishment are invariably effective in insuring eminence for it. To Mr. Whitney its triumphs bring the double measure of elation attendant upon the reflection that they are won by horses of his own breeding. His chief money winner last year was the Preakness Stakes victor Broomspun. Second to him in that respect and not far behind in amount won was the Futurity hero Bunting, a fast and promising colt. Although Prudery and Tryster did not race up to expectations, they were not to be trifled with, and won handsomely. Crocus was a remarkably fast filly and an excellent weight carrier, which won three of her five races and was second in the others. In what little he did John P. Grier bore all the earmarks of a great race horse. In his first race he ran second to Grey Lag in the Brooklyn Handicap, then took up 127 pounds and, in winning the Queens County Handicap, ran its distance of a mile in 1:36. In the two races he defeated, among others, such stars as Exterminator, Audacious, Yellow Hand, Mad Hatter, Leonardo II., Eternal and Captain Alcock. Unfortunately, the majority of the swift-going Whitney-bred horses seem to be cursed with tender legs, and John P. Grier was only able to race twice. Damask showed well as a stayer and is All Gold's best son. In Broomster, Calamity Jane, Rocket, Olympus and Whiskaway the stable raced a group of two-year-olds which won well and from which may come great racing in 1922. In all, the stable raced forty-four horses, and their deeds are here set forth in detail:

"KILL THE BILL," SAYS HAYS

Postmaster General Strongly Disapproves Measure Prohibiting Publication of Racing News.

NEW YORK, N. Y., January 10.—Postmaster General Hays has thrown a bomb into the camp of Dr. Wilbur F. Crafts and the other proponents of the bill when he sent a letter to Knute Nelson, chairman of the judiciary committee, urging that Section 5 of the bill be killed. The letter of the Postmaster General is as follows:

"My attention has been called to H. R. 6508, and more particularly to section 5, which was introduced in that bill just as it was passing the House. The bill is primarily intended to prevent the transportation of lottery and cheating devices through the mails. Such provisions are desirable.

"This particular Section 5 makes it an offense for newspapers to publish racing news. I favor the bill, but am opposed to this Section 5. I was not consulted about it, and I hope this section does not pass. The whole bill had better be defeated, in my opinion, than to add this additional curtailment of the freedom of the press. There has been a very strong tendency of late in that direction, and I am sure it is essential that such tendency be checked. I am reminded of Voltaire's statement: 'I wholly disapprove what you say and I will defend with my life your right to say it.' I trust that Section 5 will be stricken from the bill."

Section 5 of the House bill, which was inserted in a lottery bill by Representative Walsh of Massachusetts, would prohibit all news of racing or any other sports on which wagers are made.

Publishers from all sections of the country are protesting against any restriction of the freedom of the press, and it is not thought likely that the bill will ever be reported out of committee.

JOCKEY McGEE STARTS FOR FRANCE

LATONIA, Ky., January 10.—Matt McGee, the well-known American jockey who has been riding successfully in France for a number of years and who has been visiting his old home here during the holidays, was expected to sail for France today, having left here for New York Sunday.

LIVINGSTON TO RACE AGAIN

J. D. Odom to Train for the Chicago Packing Magnate During Racing of 1922.

The orange and white of Jefferson Livingston, the Chicago packing magnate, will be seen on the metropolitan tracks again during the 1922 racing season. J. D. Odom, late official timer of the Jockey Club, will train for Mr. Livingston. So far there are three two-year-old fillies in Kentucky to be sent to Odom, who is to be quartered at Belmont Park. Mr. Livingston is in the market for some other horses. He did not race last year. Former figures in his colors were Colonel Vennie, Royal II., Oriole, Major Parke and the Fair Play mare Lillian Shaw. Colonel Vennie and Royal II. are in Kentucky as sires and Lillian Shaw is also in the stud. As a three-year-old Lillian Shaw beat Milkmaid in the Kentucky Oaks, out of which race came Sande's suspension for bridle holding.

JOHNSON TO RIDE FOR W. S. KILMER

Alfred Johnson, who rode Morvich in the last three races of his winning roll in 1921, and was for several years connected with the Rosseter stable, has signed a contract to ride during 1922 for Willis Sharpe Kilmer of Binghamton, N. Y., the horses of which will be in the hands of Eugene Wayland. The Kilmer stable is likely to be formidable in 1922. Its young horses are most promising and Wayland and Johnson are both experts.

FRENCH FREE STALLION SERVICE

The "Syndicat des Eleveurs de Chevaux de Pur Sang" in France announces that applications for free stallion service to mares owned by members of the organization this year totaled 155, or forty more than in the previous year. The stallions most in demand among the breeders are here given in order: Badajoz, Ecouen, Faucheur, Juveigneur, Marmouset, Montmaur, Predicateur, Sunfire and War Cloud.

HAVANA RACING SPIRITED

Thrilling Finishes Offset Absence of Any Particular Feature.

Old Sinner's Narrow Victory—Marion Hollins, Col. Lit and Mary Jane Baker by Inches.

HAVANA, Cuba, January 10.—A series of claiming races, the majority at sprinting distances, made up the program at Oriental Park this afternoon. Racing conditions were all that could be desired, with well balanced fields going to the post in the majority of the races. Spirited contests were in order and several of the finishes were so close that the result was in doubt until the official placing was announced. This was particularly so in the third, when Old Sinner, Little Black Sheep and Ed Garrison passed the winning mark in a compact bunch. Ed Garrison with Old Sinner on the inside and the filly on the outside seemed so close together that any of the three could have been placed first without causing any dissention. Little Black Sheep was found best, however, and would have been an easy winner had Swart been able to keep her straight entering the homestretch, where she had the lead. Little Black Sheep made an extremely wide turn and the ground which Old Sinner saved earned him the victory.

McLaughlin kept Marion Hollins under restraint in the early stages of the fourth race, permitting Judge Budrow to go to the front. Judge Budrow set a fast pace and McLaughlin waited until entering the homestretch before calling upon Marion Hollins, which moved up fast in the final drive to win by a neck.

Colonel Lit came from a long way back to win the fifth race from Foster Embry, which he beat by a half length. Mack Garner and Byrne raced like a team to the homestretch, where both tired.

Another tight fit came with the running of the sixth race, when Mary Jane Baker came from behind in the stretch, getting up in the final strides to beat W. G. McClintock by a nose.

Frank Weir furnished the winner of the first race of the afternoon in his Ballot filly Sun Girl. She was away slowly, but improved her position gradually and, Scheffel keeping to the middle of the track, overhauled the tiring Bounce in the final eighth and had over a length advantage at the end. Bounce, under C. Robinson's energetic riding, looked all over the winner entering the stretch, but tired after passing Fictile and taking the lead. Elias O., the favorite, was third, finishing fast after a slow beginning.

Lee Enfield was the pronounced choice in the second race, but Pittsburg showed him the way from start to finish. The favorite threatened seriously in the stretch and, after drawing up almost on even terms with the leader, tired near the finish.

Charles A. Stoneham will depart on Wednesday for New York. He expects to be gone for a little over a week. The first portion of his journey North will be by hydroplane to Key West.

War Loan, the six-year-old gelding by Uncle—Claudia, by Star Ruby, died at the track this morning from inflammation of the bowels. The horse had been ill for two days. He was the property of B. Burton. This is the first horse in training to die at Oriental Park this meeting.

Col. R. L. Baker's good mare Meliora bled while being galloped at the track this morning.

William A. Brady, noted motion picture producer, was among the guests at the clubhouse today.

Wreckless pulled up lame at the finish of the first race today.

ATTACKS KENTUCKY RACING

Drastic Anti-Measure Introduced in Senate of Blue Grass State.

FRANKFORT, Ky., January 10.—Senator John A. Lee of Owen county today introduced the anti-racing bill in the Kentucky senate, where it was referred, at his request, by lieutenant governor Ballard to the committee on judiciary. In the past, bills of similar nature always have been sent to the committee on agriculture and state fairs, but the advocates of racing did not resist its reference to the other committee, which, it is believed, will oppose the measure.

Senator Lee's bill is a much more drastic bill than the one introduced at the last session, which merely repeated the exemption clause in the Kentucky anti-gambling statutes under which pari-mutuel operations are permitted. The new bill is a combination of anti-pari-mutuel, anti-bookmaking and anti-poolroom legislation. Under its provisions, if enacted, Kentucky would lose an annual revenue of more than $300,000 now derived from the three race tracks at Lexington, Louisville and Latonia.

The Lee bill strikes out the exemption clause as to mutuels and French pools, repeals the exemption clause as to licensed racing enclosures, provides $1,000 to $5,000 fine and from eight to twelve months imprisonment for operating a poolroom where bets are taken, makes agents' punishment from six month to one year in jail, provides a fine of from $1,000 to $5,000 for renting property for use as a poolroom, ten to thirty days in jail for one playing races in a poolroom, six months to one year in jail for sheriff or for other peace officers for failing to enforce regulation, one to twelve months in jail for telephoning bet for self or another, one to twelve months for making a bet on a horse race. The bill further provides that the commonwealth does not have to prove that the race is actually run.

The judiciary committee, which will consider the bill, is composed of Senator White L. Moss of Middlesboro, chairman; Ben T. Davis of Hickman; R. C. Simmons of Covington; Frank E. Daugherty of Bardstown, and William Wallace of Richmond. Senators Moss and Wallace are Republicans, the other three Democrats. In the House of representatives, while forty-nine bills were introduced today, no member brought in a measure against racing.

CYLLENE'S TRAINER HAS GONE

Many Fast Horses Which Came from the Stable of Arthur Jarvis.

LONDON, England, December 23.—Trainer Arthur W. Jarvis, who died at Newmarket a few days ago, had a wonderful career of over fifty years as rider and trainer. He was 69 when he died. He was born at Newmarket and gained his first practical experience of the thoroughbred with Blanton, trainer of that great horse Robert the Devil. He rode his first winner in 1865, when he won a race at Yarmouth on a horse named The Turner, but rapidly increasing weight soon put an end to his riding career, and at the early age of 18 he was a trainer and soon had under his charge both flat racers and jumpers.

He quickly made his mark in his new profession, winning important steeplechases with a horse named Havelock, which he himself schooled over the fences. With Dog Rose he won the Stewards Cup of 1889 for Arthur James, and subsequently his stable was considerably strengthened by the horses belonging to the late Sir Charles Rose.

In 1890 Sir Charles (then Mr. Rose) purchased, on the advice of his trainer, a yearling colt by Bend Or—Vista, afterward known as Bonavista, at a sale of Lord Rosebery's yearlings. Not only did Bonavista win the Two Thousand Guineas but he was also the sire of Cyllene, undoubtedly the best horse Jarvis ever trained. Unfortunately Cyllene was so small as a yearling he was not entered for the Derby.

In the Newmarket Stakes, among the three-year-olds, he easily defeated Jeddah, subsequently the hero of that year's Blue Riband, and the son of Bonavista's other successes included the Jockey Club Stakes and the Ascot Gold Cup, both races being won in a canter.

CYLLENE'S STUD RECORD.

When sent to the stud Cyllene sired four winners of the Derby in eight years, viz., Cicero, Minoru, Lemberg and Tagalie, and after being sold to Sir William Bass for a large sum went to the Argentine. In St. Damien Jarvis trained an even better horse than Bonavista. Both were the same age, and when tried for the Derby St. Damien gave Bonavista a stone and a beating, but in the actual race got badly away and only finished fifth. He had a rather disappointing racing career, but, sold to go to France, became one of the leading sires there, his progeny including the Grand Prix winner Cheri and the Grand National winner Lutteur III.

Another great horse trained by Jarvis was Ravensbury, which, however, had the misfortune to be foaled in the same year as the mighty Isinglass, and he was second in both the Two Thousand Guineas and the Derby. Other good horses of which Jarvis had charge included Scintillant, winner of the Cesarewitch, and Karakoul, which he owned in partnership with the late Major Gordon, and with which he won France's biggest hurdle race.

Scintillant was the fast horse with which Ed Corrigan made an immense betting coup while in England and subsequently took to America to race fast there. Later he was sent to South America and died there. He was a savage.

His last winner was Canterbury Lamb, which won the Ellesmere Handicap at Manchester in the final week of the recent flat racing campaign.

He was the father of W. R. Jarvis, J. Jarvis and Basil Jarvis, the prominent Newmarket trainers. Jarvis trained at Waterwitch House, Newmarket, for nearly forty years, leaving there in 1916 to take up the tenancy of Sackville House.

The above-mentioned horses, excepting two scratches, were positively the only horses sent out by me this year. Honesty is my policy. I make no false claims or promises. As I said before, I advertise my specials, win or lose. If I cannot get your patronage through honest and fair means, I don't want it. You all know my last year's record. You don't want to know about winners I had last year or the year before; you want to know what I am doing today. Therefore, I won't advertise winners I had a month or a year ago. As you well know, or should know, winning on straight flat bets is the crucible test of racing. My information has been a positive winner on straight flat bets. The trouble with most people is that they cannot confine themselves to straight flat betting. Other people expect to run a shoestring into a million overnight. They are not satisfied with conservative winning. I want only reliable people who can and will stick to me and who are in a position to appreciate my efforts. Pikers need not apply. I charge nothing in advance; not a cent, and I positively do not want a cent unless I make you a winner. Any time a special loses, you must deduct what you would lose playing for me from successive winnings. My plays are at Tijuana, Havana, New Orleans. Be prepared to play all tracks. My terms—send me by wire after you collect the winnings of a $10 straight play. I CANNOT WIN IF YOU LOSE.

1303 LEXINGTON AVENUE - - - NEW YORK CITY, N. Y.

SATURDAY!

If you are in the field for information which comes direct from New Orleans, Mr. Small then wishes to advise all players and his many friends that he is maintaining his relations with the same connections he had last year there and that the information is telephoned to him by long-distance telephone direct from New Orleans during the morning of the day the horse is to start. Monday night Mr. Small was informed that he should advise all players, new and old, that on

SATURDAY, JANUARY 14,

they can expect something of an exceptional nature, something which should prove a huge success. The name of this horse will reach me over the long-distance phone some time early Saturday morning after a final workout and when the track conditions are noted. If you are interested and would like to enjoy this proposition with me, promise to wire me after you cash the profits of a ten dollar straight play, and I will include you. Write plainly. No postal cards recognized. No callers.

H. SMALL,

THE SPECIAL ATTENTION OF STUDENTS OF FORM

is directed to the method of indexing the charts. The index shows each and every start of all horses that have raced, with firsts, seconds, thirds and track conditions designated on the occasion of each and every start. By means of this innovation it is possible for the user of the Form Book to instantly determine a horse's ability to run on any sort of track concerning which information is desired.

Annual Racing Form

has been oversold for the past few years and the attention of prospective purchasers of the 1921 edition is respectfully called to the desirability of placing orders early.
